College AND Careers!**

GOVERNOR SCHWARZENEGGER,
I WANT TO BE PREPARED FOR COLLEGE
and A CAREER WHEN I GRADUATE.

**PLEASE
DON'T PINK SLIP OUR EDUCATION.**

We know that times are hard. The state and national economy is in shambles. It may seem irrational, but now is the time to make a plan to *fully invest in education*. A quality education is an investment in our future and the state's economy. California needs a highly educated and skilled workforce that reflects the richness of our state's diverse population.

Governor Schwarzenegger, please reform our school funding system to guarantee our schools receive sufficient, stable funding every year to deliver a high quality education to all students.

Please sign AB 8 (Brownley), to ensure education funding is transparent, linked to education standards and meets student needs.
